संबंध में मैं आपको उत्तर प्रदेश का अनुभव बताना चाहता हूं।

SHRI P. SHIV SHANKER: The Minister may kindly look into this because some of us were of the conviction that we should never allow this carry-forward rule. That is why I was very keen about it.

SHRI VISHWANATH PRATAP SINGH: Shiv Shankerji must be remembering it. Well, it is in his knowledge. So I don't have to inform him. I did one thing which worked effectively. In U.P., what I have done is that in Government service there is no question of carry-forward. If in an interview there are no candidates of adequate qualifications, I said that within six months there should be another interview only for SC and ST candidates and the posts be filled. That was very effective. Therefore, a fresh backlog was not created, though for the past backlog you had to take extra measures. I do not say: Ditto, I can copy it here. But we are well aware to take measures so that such a backlog is not created.

THE DEPUTY CHAIRMAN: Question Hour is over.
